

Date of Application, 5th Oct., 1887
Complete Specification Left, 5th July, 1888
Complete Specification Accepted, 10th Aug., 1888

A.D. 1887, 5th OCTOBER. N° 13,479.

PROVISIONAL SPECIFICATION.

Improved Combination of Ingredients for Use as an Embrocation
for Relieving and Curing Gout, Sciatica, Neuralgia, Influenza,
and similar Complaints.

I, THOMAS STEPHEN MAYHEW, of 5 Gordon Road, Bounds Green, West
Tottenham, Middlesex, Brick Maker do hereby declare the nature of this invention
to be as follows :—

5 The object of this invention is to produce a liquid, or semi liquid compound from
a combination of Sulphurous Acid, Turpentine, Glycerine, and water, forming an
embrocation for the relief and cure of Gout, Sciatica, Neuralgia, Influenza, and
kindred complaints.

The embrocation may be rubbed in the part effected, or simply laid on by means
of cloths saturated with the compound as found desirable.

10 The proportions of the ingredients may be varied to suit circumstances but as an
example for general use I mix together ;

7 ounces of Sulphurous Acid
1 dram of Turpentine
1 dram of Glycerine
4 ounces of water.

15

Dated this 5th day of October 1887.

H. GARDNER,
166, Fleet Street, London,
Agent for the said Thomas Stephen Mayhew.

Mayhew's Ingredients for Use as an Embrocation for Relieving and Curing Gout, &c.

COMPLETE SPECIFICATION.

Improved Combination of Ingredients for Use as an Embrocation for Relieving and Curing Gout, Sciatica, Neuralgia, Influenza, and similar Complaints.

I, THOMAS STEPHEN MAYHEW, of 5 Gorden Road, Bounds Green, West Tottenham, Middlesex, Brick Maker, do hereby declare the nature of this invention and in what manner the same is to be performed to be particularly described and ascertained in and by the following statement:—

The object of this invention, is to produce a liquid or semi liquid compound from a combination of Sulphurous Acid, Turpentine, Glycerine and water forming an Embrocation for the relief and cure of Gout, Sciatica, Neuralgia, Influenza, and kindred complaints. 5

The proportions of the ingredients may be varied to suit circumstances but as an example for general use I mix together ; 10

7 ounces of Sulphurous Acid
1 dram of Turpentine
1 dram of Glycerine
4 ounces of water.

The Embrocation may be rubbed on the part affected or simply laid on by means of cloths saturated with the compound as found desirable. The embrocation is useful for mankind, also for horses and cattle generally. 15

Having now particularly described and ascertained the nature of this invention and in what manner the same is to be performed I declare that what I claim is :— 20

An Embrocation, composed of the before mentioned ingredients in or about the proportions named for Gout, Sciatica, Neuralgia, Influenza, and similar complaints as set forth.

The 5th day of July 1888.
